Goshen, N.Y. – County Executive Neuhaus today issued Executive Order No. 13 of 2024, declaring a State of Emergency in Orange County which prohibits certain burning activities due to the prolonged dry weather conditions the County and surrounding areas have been experiencing.

“The beautiful, dry weather we’ve been enjoying comes with a consequence,” stated Neuhaus. “Over the past week, there have been numerous brush fires in the region, including in Orange County. These fires endanger the public and our first responders and we must do what we can to mitigate these dangers while conditions remain ripe for fire spread.
