INSTRUCTIONS

NOTE: As per Village Code 240.03 (Tax Payers Protection Act):

Any and all such specific and non-general costs or expenses incurred by the Village in reviewing any application or petition for any zone change, special permit, license, franchise agreement, site plan, subdivision, variance, amendments to any approved map or tax map or text of the Village Code, as well as any other submissions to the Village Board of Trustees, the Village Zoning Board of Appeals or Village Planning Board or CDRC or otherwise enforcing the rights of the Village regarding a specific applicant or property owner which require the use or employment of Village Counsel, Special Legal Counsel, Bond Counsel, Transactional Counsel or other legal advice or representation, planning consultants, zoning consultants, engineers, experts, accountants, appraisers or other professionals or persons that may be deemed reasonably necessary by the Village to review, act upon or otherwise provide advice on any such matter shall be charged to and paid solely by the applicant or petitioner as well as property owner involved or other person seeking relief or otherwise responsible to the Village that makes such specific and non-general action or review by the Village appropriate or necessary. Any such costs paid or incurred by the Village that are reasonable and customary in the County of Orange regarding the foregoing shall be charged to and paid by the applicant as well as property owner involved provided the applicant as well as property owner involved is seeking a benefit or other relief or approval from the Village and said costs are necessary expenditures, and not expenditures for the convenience of a Board in fulfillment of its own decision-making responsibilities. PART II

Application before the Zoning Board of Appeals

Application, petition or request is hereby submitted for:

- Variance from the requirement of Section 235-14 C. ;
 Special permit per the requirements of Section _____ ;
 Review of an administrative decision of the Building Inspector _____ ;
 An order to issue a Certificate of Occupancy _____ ;
 An order to issue a Building Permit _____ ;
 An interpretation of the Zoning Ordinance or Map _____ ;
 Certification of an existing non-conforming structure or use _____ ;
 Special permit as per the requirements of Section **176 Trees Law** (Tree Harvesting);

To permit construction, maintenance and use of A house of worship.

FY reduction from 45' to 10.2' & Bldg. hgt. increase from 35' to 44'

Bulk Variance – Applicants must complete the following:

1. Explain why the variance will not produce an undesirable change in the character of the neighborhood or a detriment to nearby properties:

The house of worship is not an excessively large structure that will fit on a small residential lot. It is also screened in the rear and side by existing trees.

2. Explain why the benefit sought by the variance cannot be achieved by some other method, feasible for the applicant to pursue, other than a bulk variance:

The house of worship must be located within this residential neighborhood for members to be able to walk to it during days of worship. The structure is modest in size and can accommodate less than 50 members in order to minimize the footprint and associated variances.

Bulk Variance – Applicants must complete the following: (CONTINUED)

3. Explain why granting of the proposed variance will not have an adverse effect or impact on the physical or environmental conditions in the neighborhood or district:

The structure is modest in size with only approximately 50 members. These members will walk to the house of worship thereby minimizing traffic.

4. Explain briefly how the difficulty imposed upon the applicant by the zoning regulations arose, specifically stating whether or not the situation was self created:

The parcel is small in size and has a lot area of 0.3044 acres. The pre existing dimensions of the lot make it difficult to design a small house of worship without any variances.

Use Variance – Applicants must complete the following:

5. State why applicable zoning regulations deprive the applicant of all or substantially all economic use or benefit from the property and submit to the Board supporting financial evidence establishing such deprivation.

N/A

6. State why the hardship imposed by the zoning regulations is unique to the property and does not apply to a substantial portion of the zoning district or neighborhood.

N/A

7. State why a grant of the variance would not later the essential character of the neighborhood.

Zoning Board of Appeals

§ 235-89. Powers and duties.

The **Zoning Board of Appeals** (hereinafter called "Board of Appeals") shall have all the powers and duties prescribed by statute and by this chapter, which are more particularly specified as follows, provided that none of the following provisions shall be deemed to limit any power of the Board that is conferred by law:

A. Appeals. The Board of Appeals shall hear and decide appeals from and review any order, requirement, decision or determination of the Building Inspector, when acting in his/her capacity as Zoning Enforcement Officer, or such other official charged with enforcement of this chapter. The Board of Appeals may not waive the requirements for site development plan application as required in any part of this chapter.

B. Interpretation. On an appeal from an order, requirement, decision or determination made by an administrative official or by the Building Inspector, the Board of Appeals may decide any of the following questions:

(1) Determination of the meaning of any portion of the text of this chapter or of any condition or requirement specified or made under the provisions of this chapter.

(2) Determination of the exact location of any district boundary shown on the Zoning Map.

C. Variances. On appeal from an order, requirement, decision, interpretation or determination made by the Building Inspector, acting in his/her capacity as Zoning Enforcement Officer, or on referral of an applicant to the Board of Appeals by an approving agency acting pursuant to this chapter, the Board of Appeals is authorized, after public notice and hearing, to vary or modify the strict letter of this chapter, where its literal interpretation would cause practical difficulties or unnecessary hardships, as defined in this section, in such manner as to observe the spirit of this chapter, secure public safety and welfare and to do substantial justice. Variances, once granted, shall be construed to run with the particular site or lot and not with the applicant. Any such appeal shall be taken within 60 days after the date of the filing of the order, requirement, decision, interpretation or determination of the Building Inspector by filing an application in the office of the Zoning Board of Appeals and with the Building Inspector.
