The planning board meetings are held on the 3rd Thursday of each month. Work sessions are held on the 1st Thursday of each month. All meetings commence at 7:00 PM.

TAXPAYER PROTECTION

§ 240-3. Application of Law.

Any and all such specific and non-general costs or expenses incurred by the Village in reviewing any application or petition for any zone change, special permit, license, franchise agreement, site plan, subdivision, variance, amendments to any approved map or tax map or text of the Village Code, as well as any other submissions to the Village Board of Trustees, the Village Zoning Board of Appeals or Village Planning Board or CDRC or otherwise enforcing the rights of the Village regarding a specific applicant or property owner which require the use or employment of Village Counsel, Special Legal Counsel, Bond Counsel, Transactional Counsel or other legal advice or representation, planning consultants, zoning consultants, engineers, experts, accountants, appraisers or other professionals or persons that may be deemed reasonably necessary by the Village to review, act upon or otherwise provide advice on any such matter shall be charged to and paid solely by the applicant or petitioner as well as property owner involved or other person seeking relief or otherwise responsible to the Village that makes such specific and non-general action or review by the Village appropriate or necessary. Any such costs paid or incurred by the Village that are reasonable and customary in the County of Orange regarding the foregoing shall be charged to and paid by the applicant as well as property owner involved provided the applicant as well as property owner involved is seeking a benefit or other relief or approval from the Village and said costs are necessary expenditures, and not expenditures for the convenience of a Board in fulfillment of its own decision-making responsibilities. AUTHORIZATION TO INSPECT PROPERTY

The owner, by submitting an application to the Village of South Blooming Grove Planning Board and by signing this authorization, consents to inspection by Village personnel, staff or consultants of the project site or facility for which an approval is sought and, to the extent necessary, the property owned by the applicant adjacent to the project site or facility. This authorization allows Village representatives to enter upon and pass through such property in order to inspect the project site or facility, without prior notice, between the hours of 8:00 a.m. and 8:00 p.m.

Inspections may take place as part of the application process prior to any decision to grant or deny the approvals sought. By signing this authorization, the owner agrees that this authorization shall remain in effect as long as the application is pending, and is effective regardless of whether the landowner or agent are physically present at the time of the inspection. In the event that the project site or facility is posted with any form of "posted" or "keep out" notice, or fenced in with an unlocked gate, this permission authorizes Village Representatives to disregard such notices or unlocked gates at the time of inspection.

The owner further agrees that during an inspection in connection with this application, among other things, Village representatives may take measurements, may take soil samples and photographs, and may analyze physical characteristics of the site including, but not limited to, soils and vegetation and may make drawings and take photographs.
