**Re: Clovewood Subdivision**

Dear Chairman Weiss:

Kindly let this letter request that the Planning Board grant conditional final subdivision approval to the Clovewood subdivision.

The water withdrawal, sanitary SPDES, stormwater SPDES and Incidental Take permits are all in the final form with the NYS DEC. There are no significant changes to the plans anticipated with issuance of the aforementioned permits nor have there been plan modifications that would affect the SEQR Findings Statement previously adopted by the Board. We ask that the Planning Board issue conditional final approval of the project subject to whatever conditions Planning Board deems appropriate. The latest revised Clovewood subdivision plans can be found online at CPCEIS.com.

Respectfully,

Kirk Rother, P.E.
