## **FEES SCHEDULE:**

### **46) NOTE:** As per Village Code 240.03 (Tax Payers Protection Act):

Any and all such specific and non-general costs or expenses incurred by the Village in reviewing any application or petition for any zone change, special permit, license, franchise agreement, site plan, subdivision, variance, amendments to any approved map or tax map or text of the Village Code, as well as any other submissions to the Village Board of Trustees, the Village Zoning Board of Appeals or Village Planning Board or CDRC or otherwise enforcing the rights of the Village regarding a specific applicant or property owner which require the use or employment of Village Counsel, Special Legal Counsel, Bond Counsel, Transactional Counsel or other legal advice or representation, planning consultants, zoning consultants engineers, experts, accountants, appraisers or other professionals or person that may be deemed reasonably necessary by the Village to review, act upon or otherwise provide advice on any such matter shall be charged to and paid solely by the applicant or petitioner as well as property owner involved or other person seeking relief or otherwise responsible to the Village that makes such specific and non-general action or review by the Village appropriate or necessary. Any such costs paid or incurred by the Village that are reasonable and customary in the County of Orange regarding the foregoing shall be charged to and paid by the applicant as well as property owner involved provided the applicant as well as property owner involved is seeking a benefit or other relief or approval from the Village and said costs are necessary expenditures, and not expenditures for the convenience of a Board in fulfillment of its own decision-making responsibilities. Said legal cost shall be reasonable in amount and shall not exceed five (5%) percent of the cost of the fair market value of the estimated cost of construction or the infrastructure and other site improvements involved in said application. The payment of such costs shall be deducted from an escrow account to be established for such application in amount determined by the Village in accordance with the Village's fee schedule or as determined by Village Board of Trustees Resolution. Such escrow account must be maintained in an amount sufficient to pay such fees or costs at the time they are incurred and must be replenished as directed by the Village.
